

What They're Saying about ONLINE REGISTRATION

“Online registration was easy to set-up and very easy to monitor. Active.com’s support was extremely helpful when we had questions.”

-Bob T., Youth Baseball Administrator

“In these days and times, online registration is a necessity. People don’t feel safe sending checks through the mail and don’t want to rely on the fax. They also want fast confirmation that their registration forms and checks are received. Online registration makes the most sense for all of these needs.”

-Clay C., Flag Football Administrator

“Online registration has put us in the 21st Century...less manual keying of data...takes the work off the volunteers...”

-Billy W., Little League Administrator

“We were very pleased with Active.com’s online registration services. It made it easier for players registering at the last minute or players who wanted to register quickly, get a confirmation, and be done with it.”

-Kathy R., Youth Soccer Administrator
